ADVERTISING MEDIA KIT

Welcome to Ketone Automotive's family of web sites that are specifically designed to market products to a vertical market segment that fits the automotive refinish industry.

Ketone Automotive, Inc. is a family owned and operated business providing automotive refinish products to automotive dealerships and collision repair facilities in Chicago and the surrounding suburbs for over 60 years.

Ketone.com is one of the fastest growing websites providing collision repair products to the refinish industry today. We can assist you in your companies exposure and sales with our simple and cost effective advertising program.
